O'LEVELS Cambridge Board

Completed in 2016

About Me

Problem solver and strong communicator eager to prove my value. Motivated to advance and expand my skill set through targeted mentorship and challenging projects. My aim is to become a full stack developer

Professional Experience

Internship: Geeks of Kolachi

Present

During my internship at Geeks of Kolachi, I am actively involved in web development using React.js with TypeScript and Tailwind CSS. Additionally, I have gained experience with Next.js and explored various React libraries including Flowbite, DaisyUI, Material UI, and Framer Motion.
